**Thank you, President Trump,  
for Putting LIFE back into our country, and passage of  
the *Protect Life Rule!***

Maine Right to Life, along with National Right to Life Committee ([Press Release](#)) and millions of Americans can rejoice, knowing that our Title X tax dollars will no longer be going to any entity that commits abortions.

President Trump, through the Department of Health and Human Services, issued the final rule Feb. 22, 2019 (*George Washington's Birthday*) regarding Title X Family Planning Program for low income Americans. The *Protect Life Rule* requires a clear financial and physical separation between Title X funded projects and programs or facilities where abortion is considered a method of family planning.

**In other words, it would prohibit taxpayer funding from going to any group or entity that performs abortion. That means if Planned Parenthood is non-compliant, it will lose \$60 MILLION in taxpayer funding each year.**

Here is a News Release from the U.S. Dept. of Health and Human Services, along with a Fact Sheet outlining the details ([News Release](#)) ([Fact Sheet](#)).

Thank you, President Trump...a real Pro-Life President...for the Protect Life Rule!
