## Peoples' Vetoes Signature Gathering

### *Join the Pro-life Brigade to Overturn the Taxpayer Abortion Law & Doctor Prescribed Suicide Law*

Many thanks to those who have volunteered as a Petition Circulator for the Peoples' Veto on the Taxpayer Funded Abortion and Doctor Prescribed Suicide laws! We have a groundswell of enthusiasm at the grassroots level, and need to continue to build on this momentum. **PLEASE be a life saver by volunteering to become a Petition Circulator** in your church (with pastor's permission) and/or within your community, if you have not yet done so. Many churches are offering petitions' signing this month, and we need you, your family and friends to sign the petitions when offered! If you have any questions about hosting an event at your church, need petitions delivered, or anything else pertaining to the collecting of signatures, contact Nick at [nick.adolphsen@gmail.com](mailto:nick.adolphsen@gmail.com) or call him at [207-975-2838](tel:207-975-2838).

It is strongly recommended that you participate in a training session prior to signature gathering. Training is scheduled this week:

**Training Session Thursday, August 8th**

East Auburn Baptist Church

6:00-8:00 PM

560 Park Avenue, Auburn

*Note: You can just show up on August 8 to sign the petitions and not take the training.*

As you know, we have a very short time period in which to collect approximately 80,000 signatures on both petitions. Notarized Petitions need to be brought to Town Hall(s) by Sept. 13<sup>th</sup>. The Town Clerk's office has up to 5 days in which to verify the signatures you have gathered--- then the campaign must get these petitions to the Secretary of State by Sept. 18<sup>th</sup>.

Be part of the solution to overturn these two radical laws which put our vulnerable populations in grave danger! We need to stop the blatant and barbaric disregard for vulnerable human life. Without your pro-active assistance we will not prevail in this critical life-saving mission.

### Review Training Info and Samples on Website

**Our friends and coalition partners at the Christian Civic League have set up a superb Peoples' Vetoes web page of more information, which we recommend you review thoroughly:**

**<https://cclmaine.org/pv/>** This is an excellent resource! Remember, the 2 petitions are both 11 x 17 inches. The Doctor Prescribed Suicide petition is 3 double-sided pages in length and **MUST** remain stapled and intact to be valid. If you omit a page, the entire petition is invalid.

### Be a Super Hero for Life!

Volunteering as a Petition Circulator is a unique opportunity to be a pro-life leader in your community. Life is under attack in Maine, and we need to take back our state from the pending radical taxpayer funded abortion law and doctor prescribed suicide law. We need to put LIFE back into Maine and protect our most precious resource: our people!! We have been attacked at the beginning and end of life this past legislative session. **We need to pull together like never before to take back the Maine we know and love...for the little ones and for our terminally ill vulnerable.** Volunteer now to be a Petition Circulator for the Peoples' Vetoes! Sign the petitions and get others to sign as well! Pray, and then pray some more. This is a battle being fought on many fronts. Help us save lives! This is literally a battle between life and death. The clock is ticking. Let's roll.
