Luncheon Provided

Dear Pro-Life Friend:

Register Today! The Maine Right to Life Committee's Annual Convention and Pro-Life gathering will be held on **Saturday, October 19, 2019** from 9:00 AM-1:00 PM at Keeley's Banquet Center, 178 Warren Avenue in Portland. (Registration is 9:00-9:30 AM). This year, we are pleased to announce Rebekah Hagan as our Keynote speaker. Rebekah was raised in a Christian home where abortion was never discussed. Her career in the pro-life movement was unplanned and fueled, instead, by firsthand experience. She became pregnant at seventeen with her son, Eli, and again with a second child at age eighteen, while in her first year at college. Feeling ashamed and fearing she would lose her family's support and have to drop out of school, she began a medication abortion at just over seven weeks pregnant, that would later change her life. Minutes after leaving the clinic, she experienced a radical change of heart, and was determined to somehow reverse the horrific decision she had just made. Listen to Rebekah's heroic journey to save her baby's life. Rebekah is also featured with her baby on our Maine Vitae Society television commercial which has been aired extensively across the state.

Bring a friend or two with you, or reserve an entire table for your friends and family. Become a more effective advocate for vulnerable life! As you know, Maine is under attack by radical culture of death advocates. Isn't it time to get more involved in pro-life Maine?! **Don't let another year pass without joining us!**

This promises to be an informative and exciting day for Pro-Life Maine! **We truly hope you'll join us, along with pro-life leaders from across the state! We will be making important announcements about the Peoples' Vetoes to overturn the radical tax payer funded abortion law and lethal physician assisted suicide law at this year's Convention. We need your support now more than ever before. This is life versus death and the battle is being fought on many fronts.** Also, we will announce the 2019 Winner of the annual **Patricia DeGrinney Life Award**, as well as our 2019 Raffle Program Winners!

We also hope you'll consider supporting us as a **Maine Right to Life Patron.** Your support as a MRLC Patron helps underwrite the publication of our annual Pro-Life Resource Directory! **Our directory is the most comprehensive pro-life resource in the state.** It includes valuable pro-life information, pertinent facts & research data including abortion statistics, statewide pregnancy resource center contacts, effective letter writing samples, events calendar, and much, much more. Our directory also includes invaluable candidate voting records.

This year Patron levels are Diamond \$1,000, Platinum \$500, Gold \$250, Silver \$100, Bronze \$50, Rose \$25, and Friend \$10. Donors will be recognized & listed in our 2020 Resource Directory.

Your Convention Registration is enclosed, along with a Patron application. Please **RSVP and RETURN NO LATER than October 8th** in the enclosed envelope. Register EARLY as seating may be limited. Thank you for your very generous and continued support of Maine Right to Life!

We look forward to seeing you on Saturday, October 19th!
